Mr. William C. Scruggs
Chief, Traffic Engineering
Arlington County Court House - Room 215

Dear Mr. Scruggs:

I wish to thank you for the generous aid received from your office recently in the loan of twelve traffic counters to this Agency.

Mr. Robert Mathias, of the Arlington County Property Yard, was of great assistance in briefing my personnel in the use and maintenance of the counters when they were in our custody. He was outstanding in his willingness to make adjustments in the equipment when we were confronted with one or two malfunctions.

The help received from your staff and the opportunity to borrow the traffic counters was deeply appreciated.

Sincerely,

Signed: John F. Blake
